Qualifying Regulations, Risks & Conduct

OFF THE TRACK QLD OFFICIAL QUALIFYING REGULATIONS

- Off The Track QLD is open to all Thoroughbreds that have been lodged in a stable return for pre-training, race preps, & have officially raced or barrier trialled, locally, nationally or internationally. All horses are required to be 3 years and over and be no less than 14.2hh.
- All horses will be Registered with Racing Australia. Registrations and stable returns for those that did not make it to the races will be checked.
- Racing Name is to be used at all events and results sent to us immediately. For those horses that were unnamed due to being too slow, injuries etc, during pre-training, In this instance, please contact us before entering classes for your clearance.
- Qualifying shows must be affiliated with Agricultural Societies of QLD Ltd, or SHC. However, Off The Track QLD at it's own discretion may allow some all breeds shows & riding clubs to run qualifiers upon written requests
- Off The Track QLD Qualifying classes will be judged as separate classes. Led, Ridden, Rider, Show Jumping, Dressage, Eventing & Polo. Any horse that has won Champion cannot compete in other qualifiers within the season, unless it is a different discipline. Example: Once a Newcomer has qualified, they are not allowed to qualify again. Once a Led has qualified, it is not allowed to qualify for the same class. However, you are able to qualify in our other classes. Newcomers are the only class in the hack ring that are able to compete in more than one class. You must be a Member to be able to compete in the Members class. Please be aware that there is only 1 Grand Champion in the Hack ring, which is the Off The Track QLD ridden classes retired in a particular year. The rest of the classes on finals day are Supremes. One Grand Champion in Show jumping & one in Dressage
- All Definitions for Show Jumping & Dressage are under EA rules. Definitions for hack classes are under show horse council.
- The season is from finals to finals. Any place getters from other organisations are **NOT** Permitted to enter the Off The Track QLD Finals/Championships. Horses that have won Reserve Champion or Runner up may continue. Show jumping is scored on the highest point score by 2. Dressage scored the highest percentage by 2.

- Random drug testing may be carried out.
- The committee reserves the right to refuse an entry without assigning any reason for doing so and to alter the program/schedule at their discretion.
- Horses will be judged as a good example of a thoroughbred, with the following taken into consideration:
 - Thoroughbred qualities
 - Conformation
 - Manners
 - Paces and performance
- Injuries caused through racing, such as blemishes, are allowed.
- Judges' decisions are final in the qualifiers, and the state finals/championships. Once a class has started and the horse is Sashed, no other entries are to enter the class.
- Horses and owners must reside in QLD to compete in Off The Track QLD classes. .
- Every horse that enters the finals/championships must be ridden by the same rider that qualified the horse, unless the horse has been sold. In this case the new owner may apply to Off The Track NSW Inc (Head Office) at least one month prior to nominations. You must at all times be present at the presentation to collect your prizes. This is the whole point of the presentation. It is not the job of the organising committee to be chasing winners so that THEY can receive their prizes. If you leave before the presentation, you will forfeit your prize/s.
- NOTE: The handling and riding of horses is a dangerous activity and can result in serious injury and loss. Neither our Club, nor any member of our Club or Committee, accepts any responsibility for any loss or damage suffered by any person.
